

It doesn't take a **computer geek** to install Linux

... but we'll loan you one anyway.

(pocket protector not included)

The Charlottesville Unix Users Group's Free Linux Seminars

Come learn about Linux and FreeBSD. We'll even install it for you on your computer,
or show you how to do it yourself! Seminars begin Sunday, September 22.

For details, directions, and a sign-up form, please visit

<http://www.chuug.org/seminars>
